

Books, a great gift for you, loved ones!

Five books by David Maiers. **Grain** is on rural Canada and the grain industry. Grain elevators, trains, farms, trucks and machinery. It is all here! David's father was a 35 year grain elevator agent. **The Mainline** is on CN's main rail route across Western Canada. 50 trains per day! **Stainless Steel** about VIA Rail's historic passenger trains. Riding the train? This is for you! **Canadian Railways - Tales of the Silver Lady** is all about Canadian trains. Stories from David's four generation railway family background, cars and locomotives. **The Princess** story of the Canadian Pacific Railway and container trains that link the world.

Above John Deere combines Roblin, Man.
